“ I use to love seeing Mrs. Lefkowitz a"n in shul on Shabbos. In her younger years, she always came to shul regularly. I would see from the corner of my eye how she really enjoyed the davening. And when Mrs. Lefkowitz had to resort to using a cane in her later years, she still also made it to shul! Mrs. Lefkowitz was always warm and friendly to me and we shared a mutual understanding because my mother a'h was also a Holocaust survivor. In addition, Mrs. Lefkowitz was a true aishes chayil! I will always remember how she would walk her sick husband with the aide and brave the cold weather. Even though he could barely walk, she wanted her husband to get fresh air and keep him activetruly devoted to him! May a beautiful gan eden await her...May Mrs.Lefkowitz be a gitta beter for her beautiful family and for all of klal yisroel!
