“ *I remember when we met Fenya and the whole family at JFK so many years ago. I remember thinking that here are people who look like me! No one on my father's side looked like me... There is nothing like having family here with me. I cherish you all. I love having you all in the USA with me.
Thank you Fenya!*

*Fenya was a first cousin to me on my mother's side. She was a lovely, loving happy and was always so great to see her. I loved her and I love her memory now and always.
May her memory be a blessing.*
