Florence Schreier, age 94, of West Palm Beach, FL died on November 14, 2024.

Born February 7, 1930 in Chicago, Illinois to Ben and Anna (Meyeroff) Aft, humble immigrants from Poland and Russia. Yiddish was the home language for her and her older brothers, Harry and Ralph. She often recalled learning to count while making rolls of pennies at her parent's corner newstand.

She attended Habonim's Labor Zionist Youth Camp Hachshara in California, where she learned agricultural skills while considering emigrating to Israel and life on Kibbutz. This is where Florence met the love of her life, Bernard (Bernie) Schreier of Detroit whom she married on March 25, 1951.

Yiddishkeit brought her great joy and she remained active in Habonim and Habonim's Midwest Camp Tavor throughout her life where she and Bernie sent their children.

She was active in Detroit's Bagley Elementary School PTA, worked as an Allergy shot med-tech, and volunteered for over thirty years at The Detroit Institute of Art as a School Docent and in The Museum Store. She was often found by the Diego Rivera Murals pointing out details to visitors.

Her greatest joy was her six children and the families they each created. She enriched them with her passion for visual, musical and the dramatic arts. She and Bernie spent many years traveling to visit them in New York, New Hampshire, California and Florida.

She is survived by her husband of 73 years, Bernard Schreier,
