“ Dear Sammy, Ron and Leah,

On behalf of Chana and myself we wish to send our most sincere heartfelt condolences to all of you on the loss of your dear mother. To say I remember her well would be an understatement. My parents and your parents were the dearest of friends and my memories of their visits to our house go back many years to my youth. They participated in all of our simchas as did my parents in their simchas. It is our fervent hope and feeling that she will be a Maylietz Yosher for your family and all of Klal Yisroel.

Your mother together with the other holocaust survivors with whom she and your father associated performed a unique function in our lives and molded who we have become and hopefully can pass on to our children. They left us a legacy and will always still be part of us.

“ Dear Leah,
I am so sorry for the passing of your wonderful mother who raised such a beautiful and caring family. Your mother's life in Europe is one that people of our age and background are so connected with. Her passing brings a sadness in each of us, that such a valiant and special generation is almost gone. A generation that according to reality should have been so broken but miraculously and with grit, recreated vibrant Jewish life in all the communities they went. Look at all that your parents built.
