“ *Everyone has such cherished memories of Frances. She was a pillar of the family, strong, intelligent, and a family oriented person. I have been honored to hear the stories and blessed to be around the family table to hear memories from the two families lives. The stories shared, the laughter I have heard were a testament to who she was and how much she meant to so many, What a beautiful family she made and fostered. She lived a fulfilled life of blessings and touched a lot of peoples lives with her kindness. I know Lorna loved her and your family deeply. Rest in peace Frances....*

“ *When Francis was born, an angel took flight. She was so kind and thoughtful of everyone. She had the unique ability to listen and appreciate others' needs. One time I was going for a legal job interview and I was going to take a brand new briefcase. Fran suggested not to - she said to take a beaten briefcase to show the interviewer that I was always busy and working hard. That was such good advice and truly Fran! May her memory be a blessing to all who knew her.*

“ My heart is filled with so many wonderful memories of Frances. My aunt Frances had a zeal for life, never complained, and always had a smile on her face. She was a kind, loving, thoughtful, and a very social human being. She would glow when speaking of all the activities she was organizing and being known as the "Mayor" at her residence. After moving to Phoenix, I often returned to Michigan for a visit. I would ring her doorbell and would always be greeted with love and a warm embrace. Frances never forgot a birthday and I received my annual card with warm wishes. She often seemed to carry individual gifts for everyone which she bought at her favorite store Hudsons. My love for my aunt will always be with me. She was a remarkable woman and will be missed. Lorna Weitz

“ What an incredible woman Frances was. She shared her enthusiasm and joy for life with everyone she met. Her friendship with my Mom was lifelong, and I have wonderful memories of Sol and Frances growing up in Detroit. Frances made the best tuna fish EVER!!! I remember exactly how it tasted when we would go to her house and she would make us snacks with her amazing tuna, I have never been able to replicate it!! Frances really helped my Mom when she moved to Mear and tried to make her feel welcome and included, she introduced her around and even got my Mom to help at the desk! She was truly a wonderful person. May her life be a blessing! Vickie Jaslove Case
