“ Our condolences to Marty and this entire beautiful family. We had the privilege of spending some time with Fred during one of our nine trips to Detroit for my husband's clinical studies. His son, Marty helped support us through a very tough time, and made us feel like we had the comfort and security of "family" during each of our stays. We know where Marty got his big heart and sense of humor ... from his wonderful Dad, Fred, who was such a great role model for his children (and of course, from his dear Mother, too)! Sending you prayers for peace, comfort and beautiful memories - may they sustain you always!

“ Dear Brown's and family. The memories of this great man will burn in hearts and souls always. With a smile and a tear, though brief, I celebrate the beautiful times I remember being in his presence. I see a proud smile on his face and a strong hold on the ones he loves, forever. “ To our entire family in Michigan, we send our love and heart felt thoughts to you all. Uncle Fred will be remembered in so many ways. What tops our thoughts is his wonderful sense of humor and how every family gathering was made better because of him. Uncle Fred was a shining example of a friend, a husband, a father, grandfather and Uncle. Thank you dear Uncle for adding so much to my childhood. Your memory will be locked in our hearts and in a smile because of how much joy you brought to so many.

“ Dear Family I remember all the wonderful summer trips we did together as a couples club including our children. Our couples club is like non others in that we shared so many laughs with Fred being the funny man and the guy who had so many silly antics. I am so proud to say that Fred and Helen were a part of my life. Such devoted friends. I will miss Fred but he will always be in my heart....
