“ *Mrs. Kolb was a party of my childhood. I am so sad that I never put together that I spent time and made friends with her son and grandson. She worked with my Mother and Grandmother at Pepper School many many years ago and was so loved by all the children. My heart is so broken that I never made that connection and was able to talk and/or see her before her passing.*

May her life be a blessing and she will be missed by so many.
