“ I was married to the late David Shawn for 38 years (hurt that my name wasn't placed next to David's in this obituary). My mother-in-law, Freda, was a wonderful, giving, classy lady. We had so many wonderful celebrations for her and dad - birthdays, Mother's Day, Father's Day, their anniversary, brunches. David and I love doing all of it. She was a confidant of mine. I loved her as my own mother. Mom, I will miss you but all those wonderful, fun memories will keep you close to my heart. David, take care of the newest angel in Heaven. Love you, mom!!
