“BDE. There are no words to express my shock and sorrow at the passing of your beloved wife, mother and sister. Friedal was such an amazing person. Kind, humble, and always there for the kehillah. I got to know her well through all the support she gave for the Detroit kallah showers. She was always helping by contributing financially, making something delicious, and assisting with set up or clean up. In addition to this we hosted many sheva brochos together. And it was always such a pleasure to work with her.

I have a very fond memory of her a few years ago. It was Chol Hamoed Sukkos and we were both davening at Kever Rochel. It was very crowded and afterwards I said, “Friedal, were you at Kever Rochel on Chol Hamoed Sukkos?” It was indeed her. Like all of us, she poured out her heart to Mama Rochel. I always felt that it was such a zechus for me to be davening near her at Kever Rochel, at this auspicious time.

Friedal was a quiet and regal part of Detroit. Her mitzvot abounded. She was devoted to you, her dear family, as well as to the whole kehillah. I would always see her at a shiur, at a simcha, and at many community events. Always with a smile and always making me and everyone else feel like they were the most special person to her. There are no words and she will be greatly missed.
