“ So sad to hear this. I only know Fryda by her face - but she will be missed.

“ Mrs. Fleish was always such a nice lady. I used to see her when I was a young kid playing with her son Joe. Later in life I would see her at Hudson's and at the HMC.

She will be missed! RIP from Alan H. Kaplan

While I'd only known Fryda for a short period of time, we became good friends. She shared her life history with me, we compared our knitting and crocheting skills, and we spent hours together in the gift shop at the Holocaust Memorial Center. I will truly miss her.
