“ *Gayle was truly a special woman. She was an extremely close and cherished friend of my stepdaughter (Nicole Gittleman, who passed in 2020). It broke my heart when I learned of Gayle's passing. She had the most beautiful eyes and the most beautiful heart and soul. She came to dinner at our home once and I remember that she was one of the ONLY people who got up to help me! lol. She will be sorely missed. My husband and I send our deepest sympathy to her family and all who knew and loved her.*

“*Beautiful service today and Stacey's heartwarming and oh so true words for her big sis (Yin & Yang) made me remember all our younger days as cousins with a smile and a sad heart I can't be there today. I am reminded as I saw you all, my beautiful family', via Zoom, how special those memories are in times like today. Gayle is smiling down on all of us now! 💖🙌👍🍊*
