“ I haven't seen the Rubin family since my family moved from Windsor to Kingston, ON in 1978. We lived upstairs in their Giles Blvd E. duplex since 1962. Mr Rubin (Hyman) often gave me home made hot dogs from his meat shop that were out of this world; I could have lived on them. My mom (Grace White) would visit Mrs Rubin (Nancy) often for a cup of coffee and good conversation while I was at school. Their son's Jack and Gerald treated me like their younger brother; during the late 60's I remember both of them having the coolest looking sideburns, far better than Elvis. Much love and fond memories.
