“ Steve, David, Susie, all the grandchildren and great-grandchildren. I am so sorry and saddened by the loss of all of us. I loved Jerry as much as you can love a cousin and more. I am glad I had the privilege of visiting last year to and spend time with her. I will miss her as much as I miss Zaida Zvi. Listening to Rachel and her Emma, brought tears to my eyes. I love you all so much and hug you tightly to my heart.

“ I loved both your mom and dad. They were the very close of family to my mother and father. It brought me peace knowing this friendship was in place when my brother and I left the Detroit area. You mothers wicked sense of humor and candor made me laugh. And, she was my "GO-TO" for any family history after my mother passed away. She was a force and she will be missed. May her memory be a forever blessing to all she touched.

“ We went to Israel with a group which included Gery and her husband Tsvi. They were wonderful people and very warm and very compassionate. I'm sure she will be missed by everyone who knew her
