“ Mrs. Gloria Elchonen was truly a special person. She was so elegant and kind, with a great smile. She was someone who always had a good word about everyone. And she had such style. In the later years when she wanted protection from the sun she wore such incredible hats and scarves.

One of the things that really stands out is her incredible porch. Each Shabbos and Yom Tov it was an amazing social gathering for all the neighbors. While I was relatively new to the neighborhood (having only lived there for 15 years), I really got to know her daughters through their frequent visits. And her dear sons and their incredibly dedicated wives, Avraham and Rochel, Hirsh and Chaya Rochel, gave to her constantly with an open heart and such love.

You all exhibited the utmost in **כבוד אמ**. That giving is a true reflection of the incredible warm and giving mother that she was, treasuring each of you for your uniqueness and individuality. May all the wonderful memories of both your mother and father be a source of great comfort to you.
