“ *My recollections of family reunions had Gloria and cousin Eva Packard, of blessed memory, spearheading conversations and sharing stories of our families' pasts. Gloria would tell me stories of her fond relationship with my mom and dad growing up. Full of intellect and wisdom and talent, she shared so much more at these rare and special get-togethers. Gloria was a strong woman who loved her family deeply and was so proud of them. During our last conversation, it was apparent, proud of who she once was, that she was unhappy living as she was, in pain, dependent, and with limited memory. We can all take comfort that Gloria and cousin Eva are both now resting in peace sharing lively conversations somewhere out there. Love and condolences to her beloved family.*

Thank you so much. Our mother loved sharing stories and the last few months had been very difficult for her. Thank you for sharing your memories.

“I'm Rick's cousin Patty. Gloria was a very articulate and well put together woman.
I enjoyed many conversations with her. She loved talking about her family, especially her great grandchildren. She was very entertaining especially when she would play the piano. She will be missed, keep all the wonderful memories of her in your family conversation.
Our deepest condolences to the Family
