“ *Very sorry to hear of your loss. My dad HY just wanted you to know he will be unable to be there tomorrow as he slipped fell and broke his other hip a couple of hours ago. He is in no pain and I do not know what will be for the next couple of days. It is important to know that the very first thing he needed me to take care of was to reach out to you. Typical and wonderful.*

“ Mark & Jerry & family! Dee Dee and I were so sorry and sad to hear about your Mom. We know she suffered for many years. I in particular have very happy memories of your Mom & Dad. They were great friends of my parents and your family was family to us growing up. We all grew up together in the same neighborhood in Detroit. I remember many times being at your house watching a hockey game or just visiting with your parents and whoever was home. :-) I used to ride my bicycle over which was very cool. I always felt comfortable in your house. Especially after my Dad died when I was 10, your parents were always "there" for me and a dear friend to my Mom who could be difficult. LOL! Your Mom was so pretty and your Dad so handsome. Plus our Mom's B'Nai B'rith Morgenthau Bowling League at Roll A While (?) Lanes where we would all go to bowl as a treat when we were on a school break. Nothing but smiles and sincere interest from your parents as to what I was doing. I loved them both. Already missing your Dad and now your Mom. I will always fondly remember them. Our thoughts are with you now. xo-Doug Kahn

“ Dear Jerry & Mark, my deepest condolences on the passing of your Mom. I have great memories of your mother when I lived 2 doors away from Alice & Harry on Seneca in Oak Park. I will be out of town on Wednesday but my thoughts are with you. Fondly, Larry Miller  
Sending regards to the rest of your family
