

GORDON STROSBERG

September 30, 1920 - September 13, 2018

GRAVESIDE SERVICE: 2:00 PM SUNDAY at ADAT SHALOM MEMORIAL PARK CEMETERY

Age 97, of West Bloomfield, died September 13, 2018.

The son of immigrants from Poland, Gordon was born and raised in Windsor, Ontario. He was employed in the automotive industry during his entire working lifetime. After high school and trade school, he became a skilled tool and die worker with General Motors and Ford Motor Company. During World War II, his skills kept him employed in a war materials manufacturing facility. While employed as a tool and die worker during the day, he would attend night school at the University of Detroit and eventually earned an undergraduate degree in engineering when he was 27. As an engineer, he specialized in processes and facilities at Ford for nearly 40 years in the U.S. and Canada and received numerous patents and awards related to the production of automobiles and trucks.

David further states:

While my mother wanted me to become an ophthalmologist, Gordon was always supported of my interest in buildings and property development. From the time that I constructed my first house after college in 1977, Gordon encouraged me and invested with me. He was unfailingly supportive of Morningside, even during the downturns and disappointments. After his

retirement from Ford, he would visit the Morningside construction sites in Michigan and frequently attended construction-related meetings. His counsel will be missed.

Devoted father of David (Jory) Strosberg and Gail Strosberg.

Loving grandfather of Sigi, Simone and Sid.

Gordon was preceded in death by his wife, Charlotte and his two brothers, Phillip and Maurice. Maurice was an navigator during WWII and died during a bombing mission over Hamburg, Germany.
