*So shocked by the sad news about my dear friend Hans. He was the founder and unofficial chairman of our Vienna Club which started with 35 members and is now down to 4. myself included. I always admired Hans for his knowledge and generosity ,despite his longtime physical problems. I extend my sincere condolences to his dear wife Sylvia, who stood by him for so many difficult years. Shalom .*

*I first met Hans, in 1943, at the old JCC, on Woodward  
He was a life guard at the swimming pool and I was there playing  
basketball.*

*Little did, I, know that we would become fraternity brothers and life long  
dear friends, Hans was a brilliant engineer at GM and I  
enjoyed hearing of his many accomplishments. He was lucky to wed  
Sylvia, his soul mate. There will not be another like him and he is dearly  
missed.*

*I am shocked to see that Hans passed away 2 weeks ago! What a  
wonderful, dear man. He married Sylvia, who was a kindergarten  
teacher at Pasteur Elementary and together they were special friends  
of the children at Pasteur so many years later. I was honored that they  
came to Adat Shalom when I was honored by JCRC. I gave a shout out  
to them in the audience. Special people who were loved by many. My  
heart goes out to Sylvia and I wish her good health. xo*
