“ *Sending condolences to Roseanne and her extended family. I did
not personally know Harmon but have known Roseanne for several
years. I am sorry Roseanne. I know how much you are hurting, first
from having lost your mom and now your father. He was blessed to
have you in his life. I am glad I was privileged to hear a tender
conversation you had with him as you graciously and gently
attended to him, while I held on the phone. My family and I will keep
you in our thoughts and prayers. Cherie, Jim, Keeley and Caitria*
