“ *My mom and I both worked for Harold and Raymond. That was my first job and loved working for them. I remember thinking it was cool that Harold had an old antique barbers chair in his office and every Friday they would treat us with bagels!*

“ I can only pray that my life be as long and full as Harolds! He would stop by my desk and tell so many great stories! I loved how he would pray with the boys EVERY TIME they would come to the office and ask for him! He honored God and that Favor was evident on his life. He loved his family and didn't miss a day at the office! Bless you Harold! Now you can rest!

“ I knew Harold from the Jewish Center Health club. Warm, kind, generous, a true gentleman. I shall miss his smile and that twinkle in his eyes. David Gumenick

David Gumenick - June 22, 2020 at 10:01 AM

I believe that I first met Harold and Delores years ago when his mother was living at the Fleischman Residence. Harold and Raymond would come to visit her regularly.

To Delores, Lori and the entire family - our most heartfelt condolences to all of you upon this tremendous loss. In so many respects Harold was "bigger than life". His interaction with each family member, and with so many organizations is truly beyond our ability to describe in words. He has earned the eternal rest that his precious Neshama/soul has now started to enjoy. May he serve as a Maylitz Yosher (an appropriate Heavenly representative) for all of his family, for his local community, and for all of Israel!

“ Harold was the only person that I've ever known that was actually present at Henry Ford's Funeral in 1947! He was also friends with Casey Kasem at Detroit Central High School, who went on to be one of the most famous voices in America... including the voice of the original 'Shaggy' in Scooby Doo. Harold also had an amazing business career which included owning the very first license to sell 'Duty-Free' items on the USA-Canada Border (The Ambassador Bridge). Harold's work ethic was a true role model for all younger generations. He will be dearly missed. We love you Harold.

“ Delores knew that Harold became my "boyfriend" when I was president of Congregation B'nai Moshe in 1997 and he was on my Executive Board. We developed a special bond which lasted 23 years!! Harold was a very kind soft-spoken gentleman who only had nice things to say. I feel so honored to have known him and will always treasure our special friendship! May Harold's memory be a blessing.

“ When Lori became my sister-in-law, her family became a part of my family. Harold was a very sweet and kind addition. We shared some holiday dinners and some family celebrations. He was always wonderful to me, my husband Derek and our children, Sam and Dallas. He showed interest in what my kids were doing and especially bonded with Dallas when she worked at the JCC. To Harold's entire family, especially my loving sister-in-law Lori and Delores, we are so sorry for your loss. We loved Harold and will miss him!

Harold always had a kind smile, even when I used to wave him on when he came to pick me up for Sunday school, haha. That smile continued on through the years and I'm glad I was able to still have a relationship with him at B'nai Moshe. I'm so sorry for your loss. Hugs!!
