“ There are so many wonderful memories I have of Harold relating to Congregation Shaarey Zedek. Harold, Sidney and I sat together on Shabbat for many years. When I became a synagogue officer, I spent less time sitting with the congregation and Harold always told me he was saving my seat on the aisle. Sitting with him and Sidney was always interesting because I never knew where the conversation was heading.

Harold also served as the representative of the Seniors committee when I became the synagogue president in 2018. He always participated in the discussions and gave us sage advice.

He will certainly be missed by many at CSZ, as he was a regular on Shabbat. So sorry I was not able to attend his services today, but I will hold a special place in my heart for him. May his memory always be a blessing for your family.

Sincerely, Jeri Fishman
