“ *Harold was one of my father's closest friends. My dad, Sanford (Sandy) Wald just adored his friend, Yippy. That's the name I've known and remembered for the last 35 years since my dad's been gone. They graduated Central '55 and enjoyed their senior trip to DC together and bowled together too. My dad passed at only 50 years old and when he did Yippy was a great source of comfort to me at the time as I was only 19 years old. My sincere condolences to his wife, children and grandson and may his memory forever be for a blessing.*

*Warmest regards,
Tracy Wald*

“ A profound loss to his family, his community, and our Hebrew Benevolent Society, where he served as president during the recent difficult pandemic years. Harold and Joyce would frequently attend our Yom Tov services at the Fleischman Residence between 2010 and 2017. He will be missed by the many whose lives he touched. May the family be comforted by the AI-Mighty amongst the mourners of Zion and Jerusalem!
