“ *As a driver, Harold was a lifesaver for Fleischman Residence in West Bloomfield. But he went above and beyond for so many. His loving care and service brought smiles to everyone who lives and works here. His sense of humor and his delightful spirit will be missed always.*

“ Sending my deepest condolences to the entire family, especially Jenifer and Julie, I Love you both vary, vary much. Many memories of Uncle Harold/Lana too, he was my mom's 2nd cousin, lived 2 houses next door to us on Condon, the block. He was like a father figure to me growing up. He taught me how to ride a bike, although it took a few pricker bushes falling into them before I could ride on my own. He had a cool car (Mazda), w a boom box in the back w speakers, often great taste in music too. Jamming out to classic tunes. He called me by my nick name Ali-Cat, which I thought was cute. He always had a great presence, positive up beat attitude, kind, loving, cool generous man. I will forever miss Lana and Harold for they shaped part of my childhood memories for life. Love Always, Alison Price and the entire Price family. My mother Lillian always said Harold was her favorite cousin. He definitely was a great man. Greatly will be missed.

“ Back in 1972 I had some major surgery and after a month, the doctor said I could drive. But when I told the doctor that I drove a manual transmission-nope-no driving for you. I had a gold Ford Pinto. Harold drove a beautiful blue corvette with T-tops. When he found out that I couldn't drive my car he gave me his and took mine. That's a friend like no other! I had a blast feeling special in that car. I'm sure Harold felt like a pauper but he only cared that I could get around. He was a FINE man!

Condolences from Meer Dining at JSL. Harold was a lifesaver when it came to delivering food to Coville. Every Friday, for more than a year, he came to pick up food from us. He made us laugh and shared his genuine smile. Harold will be greatly missed by one and all.
