Our condolences to the entire Halon family on the loss of your mother. I know she will be missed by many. We enjoyed the years of being neighbors on Sutherland. May her memory be a blessing.

“ To the entire Halon Family,

BDE. I was so saddened to hear of the passing of your beloved mother and grandmother. Harriet was such a special person. A pillar of Detroit chessed for decades. She and your father were blessed to see beautiful children, grandchildren and great grandchildren. All shomer torah and mitzvot.

*Chani, there are no words to describe you. Your constant devotion. First to your beloved father-in-law, then both of your parents. Taking them in, ensuring the care was there at all times. There is no one like you. David, thanks for being the amazing support to Chani. She couldn't have done it without you. Together you both fulfilled the mitzvah of *כיבוד אב ואם* with unbelievable devotion and selflessness. You both are incredible examples to the entire community.*

Choli and Leah, thank you for being there to help out. The support you gave to Chani and David was crucial.

Harriet was so special and I feel honored to have been a friend of hers. Her devotion to chessed, her love to help kallahs, partnering with Shoshana and with Rivka Nachlas, taught me so much. She shared much of her life experiences, the ups and the downs, with me and gave me so much chizuk. Life is a journey for all of us and she never hesitated to share things that could help me grow and laugh, even when I sometimes wanted to cry.

The last few years were really difficult for her, but none of it takes away from the very, very special lady your mother was. She will be sorely missed. I am so glad that you all have the wonderful memories of being raised by this beautiful woman.

המקום ינחם אתכם בתוך שאר אבלי תיון וירושלים

*With much love and sadness,
