Harry Loberman, 91, a long time resident of Claremont, California, died 6/27/16. Loved dearly by his three children Brenda and Dr. Gary Borge, Laura and Jeff Brandon, and Kirk and Mary Loberman. granddaughter Jocelyn. He was the cherished brother of Kitty and the late Phillip Charns, the late Sam and late Bessie Loberman and the late Rose Lax.

Harry was a proud graduate of the University of Michigan and a great supporter of the Wolverines. Earning a Masters of Science in Physics, he mostly worked as an engineer in the Aerospace Industry and helped on special projects for a space shuttle to the moon. In his never-ending quest for higher learning, he attended law school at the University of La Verne and passed the California Bar Exam in 1979. In his free time, he practiced patent law and eventually during his retirement, volunteered his time at the Rancho Cucamonga Small Claims Court helping individuals with their cases. He spent the last several years volunteering his time during tax season doing taxes for seniors for the AARP.

Harry enjoyed playing golf, poker, watching old movies and spending time with his children. A man who did not have a single enemy, he will be remembered for his good soul, his clever sense of humor and his good name. He will be tremendously missed.
