“ My uncle Harvey was a kind, caring, sensitive and very loving person whom I know loved me and my siblings very much. He also showed great love and affection for my four children and spending family time, holidays, birthdays and bringing my beloved Granny to watch their little league tournaments! I will forever be grateful for him being my Grannys caregiver and a loving and thoughtful uncle and "Great Uncle" to myself, my children and my siblings and their families.

*Be at peace Uncle, we all love you dearly*

*Lisa, Daniel, Nicholas, Courtney and Gabrielle. Also two beautiful great great grandnephews you hadn't met yet, Landon 2 yrs, Daniel's son and Rowen Gabrielle's 10 month old son.*

“ Harvey was my only brother. As children we were very close until I went into the military service and eventually moved to different parts of the country. We remained close by phone and always were fans of Detroit sports teams so we had a lot of disappointment to share between each other. I miss him!

*" Go softly into the night dear brother"*

“ Harvey was my precious nephew. He was like a son to me. He was a devoted family member. In spite of his own poor of state of health he dedicated the last years of his life to maintaining a household and caring for his mother.

“ My dear cousin Harvey. Thinking of you & all the years you visited my dad's resting place. How you shared with me that you read him the racing form & smoked a cigar.

*May your memory be a blessing to all of us.*

*With love to Alice & Barry & Rachel.*
