“ *What a brother-in-law, Harve, was. A man who marched to the beat of his own drum each and every minutewe had great times at dinners, pool parties, holidays, out on the town with Harvey and Diana always ! A couple who were fun and interesting to be with and always kept us laughing. I am saddened for Caren and Barbie and hope your sweet memories get you through this difficult time. Condolences to all the family and may Harvey's memory be a blessing. Martha Stalburg*

“ *I have so many fond memories of Harvey (and Diana). When Bryna and I first married in 1965, Harvey and Diana were our next door neighbors in our apartment building on Schaefer. He helped me with everything, from installing fixtures, shelves, hanging pictures, you name it. And he never left without going to our refrigerator and helping himself to whatever suited him. That became a joke that lasted our lifetimes. He will be truly missed. Please accept our condolences to Barbi and Caren and their families. We all lost a truly unique friend.*

“ *Harvey was very bright and one of the best electricians I ever met. I had complete confidence in any work he did for me. We did business together for around forty years. May his memory forever be a blessing.*
