“OMG!! The cemetery staff was beyond impressed! Parking in Machpelah filled up and the overflow was sent to park in Beth Abraham. Dear G-d, may I be privileged to have at least as many friends at my funeral! What a beautiful tribute to Helen and her wonderful family. May all of you be comforted amongst the mourners of Zion and Jerusalem!

“I was fortunate to have known Helen. She was a wonderful woman and she will be missed. Every once in a while I was blessed when Laurie would pick her up and bring her to the Friday lunch bunch get togethers. She lit up the table. I miss her already *sigh* the world cannot stand to lose many more like her. She was special.

Wow! A Rosh Hashanah demise! An immediate decision by Heaven that Helen deserved not to suffer any longer! May she be a Maylitz Yosher for her entire special devoted family.

I have nice memories of her and her sister Florence and Reva coming to our house in Southfield for the "weekly" Mahj game. I also loved working with her at Temple Beth El gathering the food for Mitzvah Meals...we always had time for lunch and talked. Helen may you rest in peace...play some tennis and maybe a game of Mahj together with Florence, Margie, and Reva!
