“ Dear Bob and family:

I am so sorry about your mom's passing. May your fond memories of her and your dad from the time you lived in Belgium to your journey to Detroit and, later, Oak Park, give you comfort. It always gave me pleasure when you shared stories about your parents and their incredible journey. You did everything possible to make your mom comfortable during her last years, and she was blessed to have you as a son. Your friend, Ruth

“ Dear family,
From the Hidden Children and Child Survivors of Michigan, our sincere condolences on the passing of our friend Helen Strassberg. In speaking about her history, Helen was always soft spoken and gentle in her tone, but we knew she had had difficult times in her life. We will remember her.

“ *Dear Robert and Family,
I am so sorry to hear of your dear mother's death. May your memories be a source of comfort. I have such fond memories of her. We would just sit at that kitchen table, drink tea and share our joys and frustrations. I am grateful for having known her and your father. Bonnie Topper-Bricker RN*
