“ Although I didn't know Helena well, I have counted her son as one of the most beloved and important people in my life for the last 30 years. To have raised a man so caring, loyal, compassionate, intelligent and thoughtful says a lot about Helena and how she prioritized loving her family. Her beautiful character is evident in the devotion she showed to everyone in her life, and lives on in each of her children.

Love, patient healing and yellow raincoats to all of you,

“ Dearest family and friends of your beloved Helena, my deepest condolences. Knowing “Mrs. Sherbin” as my dear friend Miriam’s Mom since 1980, I am forever grateful for having known this creative, generous, funny, and very loving woman. You are all in my thoughts and prayers at this very sad time.

My heart is extremely heavy with the passing of my aunt Helena. She was an educated, creative, artistic, and generous human being. She took me to many plays. Due to her influence I developed a great love for the theater. She loved to shop and would find excellent bargains. When my mother passed away she was a great support. I have so many fond memories of my aunt Helena from my childhood. Rest in peace aunt Helena you will be missed by all the lives you touched.
