“ Ron and Debby Spinner of Hoshaya , Israel are sending condolences to Barb & family. We all were friends while Barb lived at He tee House during her studies at Uof M. The friendship continued when Henry looked us up while visiting israel and we met several times in Nahariya and Zichron together with Barb. Henry was a positive, smart, caring Jew and crazy about Barb!

“ Skip was there in my life when his brother Gene was my teacher at Cass Tech and invited me to the Bodzin house for Shabbat lunch. Later, in college we were roommates at Wayne State. Skip moved away and so did I, and we did not remain in regular communication. I have fond memories of him and his memory will be for a blessing.

“ Henry and I connected at Mumford High School back in the '60's- went thru Science & Arts Math classes together and working on the “business side” of the yearbook. Even tho we were distant cousins, we always found something in common to talk about. Lost track of him except at Shiva's. Was what our fathers called “ a real mensch “. May his memory be a blessing.
