“ Dear Janice and Family,  
We sat together in Shul in the first few rows of the Sanctuary and I watched you lovingly assist your parents over the years. We hugged many times over the privilege of loving our parents and important elders.  
May your mother's life continue to serve as a blessing and guide you on your way.  
Respectfully,

“ Although we were not blessed to spend much time with Hilda due our Florida residence, the few times we did meet Hilda, at your home while visiting with you, she was so engaging, elegant and just plain lovely! A joy to speak with. Of course, Ashley's wedding was the highlight of our experience with Hilda as she was Ashley's Matron of Honor--that says it all!!! The first time ever that we experienced a wedding where the bride's Matron of Honor was her beloved grandmother. What a statement that was about their beautiful and special relationship. I only hope that my relationship with my grandchildren is equally as special--that is difficult to achieve for sure!  
Our sincerest condolences to you, Janice, Marty, Ashley and David and everyone whose life Hilda touched. Love you.

“ *Where does one begin to share a memory of Hilda, a truly beautiful woman both inside and out. Hilda was a shining light at Shaarey Zedek. Her warm and loving presence every Shabbat was strongly felt by all who knew her. She was so very proud of her wonderful family. She was devoted to her family as they were to her.*

*May she always be a blessing.*

*With love,*

“ I have known Hilda for over 60 years & have wonderful memories of going to her house as a child & playing with Janice. She always made me feel welcome as she was so friendly & bubbly. As an adult, I have memories of her being the same way with my kids. Her loss is a tragic event & I will miss her tremendously!! ❤️
