“ I had only known Hilda in recent years, and was very fond of her. There was always a smile to greet people. When our residents were quarantined, Hilda always called for her breakfast order. We giggled at her request for a Large piece of Frittata.

“ I have very fond memories of your mom, Hilda, and your dad Fred as they were longtime friends of my parents. Later in life, I would see your mom regularly at the JCC in Oak Park, she was helping take care of the little ones. She would always check to see how everyone in our family was doing. Very caring and kind, and always with a smile. May her memory be for a blessing.
