*Dear Lolly and Family,
We learned of Howard's passing late last night. Obviously I am in Florida and was not able to attend in person, but watched as you all spoke so beautifully of my dear cousin Howard. He used to say I was his "favorite" cousin. I am so sorry we never got to have that last dinner together, which we talked about some months ago. I pray for you all. I know we all will miss his physical presence, but he is still with us in our memories. My favorite is of US, as kids at the Lakeview Inn in Charlevoix. We would take those huge truck tires and roll them down to Michigan Beach and get in that icy cold water and have a ball. God's Speed Howard dear. We all love you still!*
