Age 86, of Franklin, Ida Joyrich died 2/1/2018.

Ida survived some of the most notorious camps during the Holocaust (Majdanek, Plashov, Auschwitz-Birkenau).

Ida and her husband, Dr. Myron (Ron) Joyrich, first met at the old Michigan Central Station when she and her mother came to the US from Sweden, via New York. He and his family came to greet them. He was 15 years old and she was 16. From that point on, they were nearly inseparable. He helped her learn English, taught her to drive, helped her with her classes in high school, and even taught her mother to drive. They both loved the theatre and music, and they ushered at theatres and concert halls. They married at the end of his junior year in medical school and bought a small house in Oak Park where they began their reputation for fabulous entertaining. Ron and Ida had a remarkable marriage, which lasted for 60 years. They loved to travel and filled the house with souvenirs from each trip. They were extremely close to their family, who always came first. They adored their children: Richard, Lynne, Wendy, and Nomi. They had wonderful family bonds, which expanded when Nomi's husband, Cory, joined the family. Their family sustained them

throughout their lives. In their later years, their grandchildren, Eden and Ava, became the most important part of Ida and Ron's world and filled them with joy. Ida's interests also gave her much pleasure. She was a wonderful gourmet cook and hostess; her dinner parties were legendary. A voracious reader, she was usually in the middle of at least two books at any given time. She was a political junkie, able to discuss the political situation and the state of the world in detail.

A Member of Congregation Shaarey Zedek for over 50 years, she sat on the congregation's board and was Social Action Chair of the Sisterhood of Shaarey Zedek.

Ida was very active in causes on behalf of Israel and was a Member of AIPAC. She was an Associate and Life Member of Hadassah as well as its Education Vice President. A member of the Detroit Committee for Soviet Jewry, she became the co-chair of the committee, and she was also a committed member of ACLU and of Amnesty International.

She was a very creative woman: she opened a bead store, Bead Works, which gave her an opportunity to use her creativity in the design of unique jewelry.

Beloved wife to the late Dr. Myron Joyrich.

Devoted mother of Dr. Richard Joyrich, Dr. Lynne Joyrich, Nomi (Cory) Joyrich and the late Wendy Joyrich.

Loving grandmother of Eden Joyrich and Ava Joyrich.

Also survived by Edith and Marvin Kozlowski and their family, the Bowman family, the Pinkas Family, loving friends including "the Lunch Bunch", and her dear companions: Livonia, Michelle, Mary, Ida, and Rochelle.

“ My deepest condolences to Nomi and Cory, Lynne, and Richard. It doesn't matter for how long we may see it coming, the finality of death is a shock. When our second parent passes away, suddenly we are orphans.

My heartfelt sympathy to you, Eden and Ava. Even though losing a grandparent may be part of growing up, that doesn't mean it hurts any less, but it can help us treasure our parents more.

May you all be supported by the love of each other, extended family, and your many caring friends.

*All our love,
Jenny and Amanda*
