“ *Cousin Ida was a vibrant, warm, loving woman, full of love of family, wisdom, laughter, and humor.*

She was close to my mother (of blessed memory) and they would talk for hours on the phone sharing stories about growing up together, and kvelling about their children, grandchildren and great-grandchildren.

We gathered at life's simchas and supported each other during life's challenges and sad times.

Both she, and dear cousin Morry (of blessed memory) were very special people in our lives, and they will be sorely missed.
