“ Dear Newmans - one of the highlights of our trips to Michigan was seeing Rosie and Harry. They were kind, welcoming and full of life. These were traits passed down to the next generation along with devotion to family. What a wonderful legacy to leave ❤️

“ Rosie was a gentle soul with a wonderful sense of humor. She was always kind and brightened the room with her smile. I'm so sorry for your loss. The world is a poorer place without her in it. May she Rest In Peace.

“ Where would one begin with such a wonderful, caring woman as Ida Rose. I have so many great memories being at her house and all the family events. I remember her great personality and the tasty dessert she would bring to parties. I would always ask my dad is Aunt Rosie coming!? As I would day dream about her food. She will be greatly missed but never gone because of all the amazing memories we have of her that we will carry with us

“ We love Ida Rose, she always welcomed us into her home with open arms (and a piece of warm, homemade apple pie). We'll miss her.
