“ *What a beautiful tribute to this incredible lady. So wonderful to hear from her loving family how much she meant to all and what an amazing role model she was to all of them. We feel fortunate that we didn't have to miss her funeral even though we are out of town. She will be a role model for me as well. May her memory always be for a blessing and may she continue to live in your soul and may you now live live for her.

“ To my dear cousins in Detroit.....

This is David Horowitz, Shirley's son. Though growing up in NY, we hadn't much contact with your dear mother, the few times a year that we would travel to Detroit to visit Bubby and Zaidy, we always looked forward to the good times spent with our Uncle Berel and Aunt Ilene. We always were made to feel special and loved even though you guys were "a million miles away". Detroit/Oak Park was a wonderous place for us...times of fun, exciting travel and of course eating foods that we never knew existed. My siblings and I will always treasure the memories we have of your parents. For the past few years since your father passed, our mother often told us how lucky she was to have a sister to shmooze with about anything and everything. They spent countless hours on the phone. What a loss she will be...she will be sorely missed, not just in Detroit, but here in NY as well. I trust your parents are together once again enjoying each others company.

May Hashem grant them well deserved peace and tranquility, based on the happiness they brought to this world...Amen.

“ To all of Ilene's family. This is Carrie and I'm a 3rd cousin to Ilene children, my mother is Estelle who was Ilene first cousin. I want to say I'm so sorry for your mother's loss and this is to all of her grandchildren and great grandchild from sweet Sarah. I only meet your mom once when I was a young girl but I will never forget what a sweet heart she was to me. This is a loving family and she was so blessed to have all of you. One day I will make it to Detroit to visit all of f you. And thank you Cheryl that two months ago my mom and your mother got to speak on the internet.
My heart is with all of this family, my god bless all of you.

“ *This is from cookie Estelle Jablon. She was my favorite cousin. Whenever I came to Detroit she always came to see me and took me out to lunch and always bought me a gift. And when I was a little girl I would sleep over out her house and she would tickle my back and then I would tickle her back too, I was only 5 years old. Ilene I love you and thank you for your love back. I will miss you. All my love to your wonderful children. Love Cookie.*
