“ We send our deepest sympathies and hugs to Keith, Melanie, Eric, Ezra, Levi, Scott, and family. We were very blessed to be Ilene's neighbor for nearly twenty years and will remember her for so many things,... her maternal wisdom, her ability to implicitly listen, her devotion, her strength, her humor, her sense of calm, the way you would walk away having learned something new after spending time with her, her generosity, to name only a few. May she be at peace and may you all feel her love and light surround you, always.

*With love,*

*Karen, Anikka, Orion, and Bailey*

“ Ilene & I just met this year & our time together during the few  
occasions were awesome. She was always so welcoming & always  
smiling! I loved her high energy & positive vibes she had. I loved our  
walk on the beach we had one morning earlier this year & when you  
taught me how to hula hoop I will always aspire to be as great as  
you with the hula hoop because you were awesome. You will always  
be remembered 🧡

“ Ilene became a dear friend of mine over the last several years. Her laughter, joy, and serious perspective regarding social issues / life challenges are something to be remembered.

*That which impressed me most about Ilene in the past year was her concern for her beloved husband to be cared for subsequent to her earthly passing. She was amazing in so many ways.*

*Her spirit that touched my emotions will remain with me for the rest of my life. God Bless her that she rests in peace.*

“ We met Ilene at a soccer game for Ezra who played without son Connor. Ilene and Papa Keith opened their home to my family and their kindness and generosity will never be forgotten. Our kids and family will treasure their memories on the lake with Ilene and Keith. They will always remember the fun they had on the lake and how Fun it was to stay at the “pink house.” Ilene, we will forever remember your spirit and kindness. We are present in love for your family and take solitude in your peace with God now.
