“ אנחנו מאמינים בני מאמינים ואין לנו על מי להשען אלא על אבינו שבשמים
Translation: We are believers, the children of believers. And we have no one else upon whom to lean for support, other than our Father in heaven.

This is a heartbreaking, tragic story of a young life, taken from a loving and devoted family, following several years of illness with many ups and downs. And yet, as the above Hebrew quote reminds us, we are מאמינים/people of deep faith. Those of us who have been privileged to know and observe the family members during the ups and downs of their son and brother's experience, are in awe of the depth of the family's faith in Hashem, our Heavenly Father.

May the Merciful One shower this unique family with His Heavenly blessings of support, condolences and consolation.
