“ *I worked with Renee, as I knew her, for several years in the late 80s and early 90s at Accurate Data Systems. She was one of the sweetest ladies I ever worked with in my career, and she was a bit of a mentor to me. I was brand new to corporate America, and Renee took me under her wing. When more experienced coworkers tried to take advantage of me, Renee would pull me aside and encourage me to stand up for myself.*

Though I hadn't spoken to her in many years, learning of her passing has made me sad. I will forever miss our heart-to-hearts and will never forget Renee!

“ Renee and I have been friends for over 40 years. We first met at the Michigan Weavers Guild and became fast friends. We enjoyed all the fun fiber stuff together and especially our annual road trip to Ann Arbor for the Art Fair. We even took our little carts in case we bought too much. We celebrated our birthdays together as they are in the same. month,
Laughed and cried together over our children and shared the secrets of our soul. We talked on the phone all the time and even after we moved we still talked. Nothing ever changed.
My Dearest Renee I will miss you greatly.
