“ My uncle, number 37 😊, was one of the most kind, caring and giving people I have ever met. A true "gita neshuma" and true Mensch. He will be deeply deeply missed. May his memory be a blessing.

We remember Irv as our backyard neighbor in Southfield many years ago. He would always be outside pushing our daughter on our swing set. He was such a warm and caring man, enjoying life with both family and friends. He will always be remembered with a smile on his face each and every time we saw him throughout the years. He cared so much for everyone and touched our lives in a most special way beginning many years ago. We send our love to his family as he will surely be missed. Julie and Doug Shiffman
