“ Hi I'm Mike Mullens wife and I just found out that Jack had passed. I met him through my husband. He has known Mike since childhood. He used to visit Mike's mom and grandmother. He always talked about the old heat registers. His Christmas card was the first one we received every year. He came by every Christmas and on his way back from his trips. He talked about his sister and brother in law. He loved them so much. He always had a smile on his face and a story. Last Christmas he actually sang a Christmas song. He talked about growing up and his family. He could remember dates and all kinds of stuff about the old neighborhood. He enjoyed life and traveling. He liked listening to music and he liked to laugh. He will be missed.

“ I was deeply saddened to hear of the passing of my neighbor Jack! It was a pleasure to know such a special person as your brother. Soon after he moved into our complex, he walked over and introduced himself while I was working in my flower garden. We often had lengthy conversations about his favorite memories, vacation trips, and his job. He will be greatly missed!!!

“ I will truly miss my friend. In the recent weeks he was sharing a lot of stories of when he was a young boy with me. We laughed about camp days and old school chums. He found joy in those memories. And because he shared them with me, now so will I when I think of Jack. We enjoyed good times together and unfortunately some of the recent not so great. I loved to see his eyes light when I visited, he would go right into conversation. Rest well Jack ❤️.

Love

“ I knew Jack through JARC. He knew my father in law from the JCC. We had many wonderful conversations. He was always so kind to me. He used to bring greeting cards to the office to share with the staff for their use. He will be missed.

“ Hi my name is Angelique I am a neighbor of Jack's here at Pebble Creek Apartments. Jack was very friendly and have such a kind heart. I remember how we all would be sitting outside planting flowers and Jack will come up and he would just start talking to us and telling us about his life, and his experiences. He always has to say hi Angela! He loved to collect stuff, I will see him at the rummage sales around our home and he would go on trips all by his self. He love to go to the museums and the Fair. I'm speaking for all our neighbors here inside Pebble Creek Apartments. Jack will truly be missed, we were blessed to be friends with Jack! I need to talk to his sister Judith or a relative that in charge you can reach me at:(734)6802174. May God continue to bless you with strength at this time.

“ I knew Jack for more 30 years. He was an amazing man. He always took great pride in his work. He went on numerous trips and vacations. He was an avid collector of souvenirs. He had definite ideas about how to live his life, and was generally very independent, but he was not afraid to ask for help when he needed it. He had an amazing memory and loved to recall events from his childhood, previous jobs, and people he used to know. I respected him very much. I will miss him.

“ Dear Judy, it has been many years since we connected. I knew your brother very well for 40 plus years. Jack actually made a point to know most of my family and over the years always made sure to ask especially about my father, my older brother & 2 other of my 5 siblings. We talked about the NW Detroit neighborhood, others we knew in common, the Detroit Jewish Community, his travels ( in particular, I recall how much he enjoyed his trip to Hershey Pennsylvania....in fact he brought me a keepsake if this trip....so very thoughtful). He was active in the community & I recall, he was very social & conversational and I knew which subjects he preferred not to talk about. He appreciated all you did for him over the years & across physical distance. He found happiness in Judaism. I was blessed to know Jack for so long....he had and will continue to reside in a special place in my heart. My heart goes out to you, Judith and May your brother Jack's memory be for a blessing. “ I worked with Jack for almost 30 years and we had a wonderful friendship. He was a complicated man who always tried to do his best - for himself and others. Although he faced many challenges in life, I always admired his willingness to try and to live as independent life as he could manage. Rest in peace, dearest Jack. I will remember you always.
