“ My sincerest condolences to Jamie's family and friends for your loss. I was friends with Jami in the late 70's early 80's. It came as a great shock of her passing. Rest in peace Jami. Lynne Stern

“ For many years she was my mothers best friend and like another mother to me. I'm sure we will both miss her deeply for a very long time to come. My condolences to all that will feel the loss of a great woman.

Justin-my name is Sandy. Have known Jami since high school. She had a quick wit, with humor only Jami could produce..I was called and told of her passing, and shock is a good word..I had tried for a while to get ahold of her- then she calls one day like nothing new...the photos ive seen dont look like the Jami i knew..The gates have gained another angel...Sandy..

I went to school with Jami and reconnected many years later working at Roush. Many long conversations later we realized what a wonderful life we had growing up. Unfortunately, I can't attend services, I send my condolences to her family. Peace.
