I was deeply saddened to hear about Jeffrey's passing. Growing up, the Zimberg family was more than just neighbors to me—they were like family. I have such fond memories of us playing on your driveway and catching the school bus together. Through all the challenges my family faced, your family never judged us and was always there with open hearts.

Even after I moved to Florida during high school, every time I came back to visit, the Zimberg home was always my first stop. It was a place of comfort, warmth, and cherished memories. Jeffrey, may you rest in peace—you will always hold a special place in my heart and will never be forgotten.

Please know that my thoughts and prayers are with you all during this difficult time.

With deepest sympathy,

*Tiffany Leshman and

I was friends with Jeff back in high school but didn't keep in touch much. Today I had a dream about him and wanted to reach out and say hi. To my shock I found out about his passing. I have very fond memories of Jeff and wish his family my condolences.
