“ Remy and Karen were good friends, with my brother, who passed away in 1971. I was 18 years old, my brother was 22.  
After my brother passed away, Remy and Karen, kind of took me under their wing, invited me over to the house after work, they had a German Shepherd named Zappo,  
A piranha fish named J Edgar, and a cage full of finches. This was a very difficult time for me, and we became very close, later on I worked for Remy, he taught me a lot about food and the restaurant business.  
Remy and Karen, were very loving, caring people, I'm a better person for knowing them.  
Geof, Rebecca, Marcus and Families, and Ania,,, please know, you are in my thoughts and prayers.  
Thank you, Remy, for helping me when I was lost...
