“ I too worked with Jerome at CVS. I visited him after his retirement from there for several years. I hadn't seen him during the covid pandemic. And I was in Canada when he passed. He was a nice person to know even for just a short time.

“ I haven't seen Jerry in ages, but I had the luxury of having worked with him at CVS many, many years. Such a super nice guy, I'm thankful for my time with him, thoughts and prayers,

“ Aunt Shirley, My heart is with you today as you lay Uncle Jerry to rest. You have been an amazing and supporting wife, partner, and friend, and in his final years an amazing caretaker to Jerry for all these wonderful years you had with each other. I hope you can find comfort in the wonderful memories you have created with each other.

I only wish I had the opportunity to have played golf with Uncle Jerry. We talked about it often and was usually the basis of our visits on the phone. I know he loved you dearly and always asked about my family and how everyone was doing.

I have the best memories of my youngest son Jacob being the ring bearer at your wedding. What a beautiful and emotional day that was.

Condolences to you and Uncle Jerry's family. May Uncle Jerry rest in peace. We are here for you Aunt Shirley, now and forever.

Love always, Randy, Ronni, Jason, Kevin, and Jacob Morrison

“ I just saw the notice that Jerry passed away and wanted you to know how very sad I feel for you. I didn't know him, but I do know he made you very happy. Wishing you all the strength and comfort you will need at this time and in the weeks ahead. Take advantage of your family and friends while going through this difficult time. You will need all of them.

Hugs to you, Temmie Lempert

Shirley I am so sorry for your loss. You dedicated your life to caring for Jerry during his final years and there is no greater sacrifice than to care for someone with alzheimers. He is at peace now. Please take care of you now. Hugs and prayers during this difficult time.

PS

My dear friend Shirley....
I was saddened to hear of Jerry's passing. Regrettably I never had the opportunity to meet him. But I do recall how your face always lit up when he came up in conversation. Although we have not been in touch for quite some time, I still think of you as a close friend going back to our childhood.
I'm sending hugs & prayers for the difficult days ahead. May his memory be a blessing.
