*"Mr. Jerry" was a wonderful man. He was our most requested substitute at Liberty Park Elem. in Greenacres, FL. Teachers requested him because they knew he would make the students feel loved. Students cheered when they saw he was the sub for the day and sometimes even forgot their teacher was absent. Mr. Jerry made everyone feel special! He always listened with his smiling eyes. For children, he was like a special grandfather. We will miss Mr. Jerry. Our world was a better place because of him. We will pray for his family.*

“ Jerry had a special gift and touched the hearts of everyone he encountered. An eternal optimist who demonstrated great care and concern for his fellow man. Each of us that were fortunate enough to have Jerry in our lives were changed in some way by his incredible spirit. Thank you Jerry for making this world a better place, being part of the MDA and VAD family, and for teaching me how to be a better person through action and how to use a Karaoke machine.

*I too remember Jerry...he was my first boyfriend in our tween years. Needless to say we lost contact when I moved to California. He was a happy guy and always had a smile. When I think about our Dexter-Davidson years he was always a big part of it. We were lucky to grow up in those times. Condolences to his family. I am sure he will be missed.*

“ *My grandfather was the most amazing, smart funny kind and loving person I ever known! He was there for me when I wasn't even able to be there for myself! There are not words enough that I can express for my sorrow, but also my happiness that I got to have him in my life! I love you so much Poppi*

“ *I remember Jerry Well. When we visited him at his home in Detroit he was the epitome of a gracious host with a warm and caring demeanor. He had a wonderful sense of humor and an enthusiastic love of life. My husband was hungry and he and Jerry ran out to White Castle for hamburgers. I loved the way he treated Nimmi, his then new daughter-in-law. He just oozed with affection for her, as he later did for his grandchildren. I know he will be greatly missed!*

“ *What a sweet, sweet man. Jerry always had a smile on his face whenever I saw him, always a compliment. I knew him my whole life; was my brother Dennis' best friend. I remember the two of them playing catch as all of us little kids played running bases. My sister Sharon, Dennis and I will all miss his presence in our lives. May his memory be for a blessing.*

“ Jerry was a special human being. A cherished friend to countless people, generous and caring. His marriage with Nanci was of storybook quality, and the family that they built and shared together is a phenomenal achievement. I first met Jerry years ago when his late father lived at the Fleischman Residence. Knowing the father explained how Jerry's character and life values were formed. The health issues that he fought towards the end of his life will soon be forgotten as they are overshadowed by the beautiful life that occupied the larger portion of years amongst us. Y'hi Zichro Boruch. May the Al-Mighty comfort his dear family amongst the mourners of Zion and Jerusalem.
