“ *We were close friends many, many years ago when Jerry spent some time in NY. I got married and various life events caused me to lose touch which I deeply regret because Jerry was as fine and loyal a person and friend as you can ever hope to meet. With deepest condolences to all his family and friends.*

“ my friendship with Jerry really took of with him in high school. Along with Jerry Pigeon the three of us just may have missed more schooling than the rest of the senior class combined. He used to "borrow" his dads Oldsmobile and we would take it joy riding. On his 16th birthday we went to a street carnival in Windsor and lost all our money, leaving us just enough to get back to Mich. He knew the owners of Waaks bar and they bought us a beer. I have other stories but Ill keep them to myself. But life got in the way and I lost contact with him until I got out of the hospital last year.I did tell him I was praying to my Christian God for him. I truly believe he held on long enough to hold Leon. May he be at peace and be reunited with his family. We will make a contribution to St Judes in his name. Pat Kelly

Jerry was a good friend during high school. We were in Oklahoma together with him playing Judd, the villain, absolutely not type casting. Jerry was one of the most genuine and friendly people I have known. He was a gentle giant, but also tough as nails. Jerry and I decided to trade punches and see who punched harder. I hit him with all my might on his upper arm. He didn't flinch. He hit me, and my arm was numb for several hours. We lost contact in the early 70's, but I have nothing but fond memories.

My condolences to Jerry's family
