FUN WITH MICKEY, JOANNE AND FRANCI 8/30/1987

I met JoAnne in early 1985 by her dear friend Judith Sharpe Levy. JoAnne helped me dress for success and mock interviewed me for a job that I won by her skillful coaching. I also met her daughter Franci who was only a teenager and hilariously funny much like her Mother. JoAnne and Franci have been sweet friends since, always welcoming. The above pictures are of Mickey and JoAnne and Franci from our wedding 8/30/1987. My husband James and I have lost a true friend and we grieve with you. Over New Years this year we had long telephone conversation and I will miss JoAnne saying Mazel Tov!

I got to know Joanne because she came to my Mondays with Meaning program at the Mondry building. She was always very friendly and always had a smile. She will be missed.

“ *I worked with Joanne at Sinai-Grace Hospital. She was my teacher and became my friend. She helped me not only with my work but with my life. We plan to have dinner next week and I have some questions to discuss with her and ask her opinion. I will miss her very much.*
My condolences to the family

I went thru my pics looking for Joanne's award winning smile. I found a few. The first is our from our annual holiday dinner & the other is from Joanne's retirement dinner (everyone from the Vascular lab made it including Dr Rama & Dr Ilijas). I had the pleasure of working with Joanne for 10 years. She spoke of her family everyday especially her grandkids, for they were truly the apple of her eye. I loved Jo because she kept it real at all times!! She was a stand up gal. She made me laugh everyday that I worked with her (yes, I do mean everyday) she was so animated. She will be missed. I'm going out today today an order a grilled salmon plain so salt or seasonings especially NO GARLIC!!

*I was privileged to work with Joanne for 12 years. She was the consummate professional while maintaining a sense of humor even when called to go to the Hospital to perform a study in the middle of the night. Always eager to improve her skills while generously sharing them with her students or o-workers. Only last week Liz contacted me about arranging lunch with Joanne, Liz and Maria upon my return to Michigan from my winter home in Arizona. Alas this is not going to happen. We shall all miss this wonderful, cheerful and devoted friend.

“ I met Joanne while working at the Sinai Hospital Vascular Lab. She was such a wealth of knowlege and taught me so much. Long after I left Sinai we maintained our friendship. I am so sad that when she called to get some dates to meet in februrary- I suggested we wait till March because i was so busy. Her passing has given me the wake up call I needed... Always ALWAYS make time for friends! Joanne would be happy to know that I am going to slow down a bit- i only wish I would have done it sooner! Words can not express the emptiness my heart feels- Joanne was a class act and i am so lucky to call her my friend.

“ I remember the first time I met this loving lady. I was 12 years old. I am the niece of Lenore Rosenblum, who has been a friend of "Auntie Joanne " for 56 years. She has always somehow been a part of my life, albeit indirectly. When my daughter was born I had a painting she did of a poodle hung in her room. Now that my daughter is having her first child, a treasured rocking horse will be passed down to my grandchild. This had been gifted to my "sister" Michelle. I know this won't make much sense to anyone but me, but Franci might remember the poodle. Anyway, I hope the family remembers all the beauty Auntie JoAnne spread wherever she went and on whomever she touched. My heart goes out to the family.
